What's New in the Cabalistic Calculator?

Cabalistic Calculator is a small-sized software tool whose sole purpose is to aid people in calculating their Individual Number, analyze and export it to a file. Simple-to-handle GUI The installation process does not take very long and it does not pose any kind of problems, while the interface you are met with can only be described as plain and simple. It is comprised of a few boxes in which to input information, as well as several buttons. Some Help contents are provided, thus making sure that even people with no experience with computers can easily work with Cabalistic Calculator. Bring up the table of significations This program comes from a school of thought which attributes a number to each and every letter, and believes that by adding each and every number from a person's name, his character can be revealed. It comes packed with a Cabalistic table of significations, so that you can consult the entire list with just a click of the button. Calculate your number automatically and save it to the HDD In order to calculate your Individual Number in a more efficient manner, this app enables you to only input your name and automatically shows you the results, namely your total number and its significance. It is possible to save all this information to a custom location on the hard drive, using a RTF format, as well as send it to the printer. You can also copy the data to the Clipboard or clear it with ease. A final evaluation The computer's performance is not going to be hindered as it does not require many resources in order to run properly, while the response time is good. The interface is suitable to all, yet it could benefit from a bit more work. All things considered, we can safely say Cabalistic Calculator is a pretty simple, yet handy piece of software for calculating your Individual Number, without breaking a sweat. It did not pop any errors, hang or crash in our tests. If you are reading this, you already have half the battle won. You've found our website, and that means you have found us.
